MCRGO Website

As a public service to all pro-gun supporters, MCRGO has created and maintains a website at:

www.MCRGO.org

Our website offers a resource for anyone involved in the shooting sports. It includes:

- Up- to-date State and National gun news
- Political info including legislative updates
- Links to shooting and firearms resources
- CPL Instructors listings
- Answers to Frequently Asked Questions
- Calendar of shooting events, gun shows and other items of interest to gun owners

MCRGO also offers a members-only area where members may read the latest issues of our ONTARGET magazine. There is also a form for legal questions for our Corporate Council called "Ask the Lawyer". Your name and member number are required to join.

MCRGO is heavily involved in the politics of maintaining and improving firearms rights. Politics is game of numbers and we need you as a member. Every member is needed, and appreciated.

The members of the MCRGO Board of Directors are elected from the membership. All dues and other funds collected are used for MCRGO activities. These include distribution of information through newsletters and press releases, town-hall meetings, our website, legislative action, and the promotion of MCRGO.

"Gun control" groups in Michigan maintain full time staff paid through large grants by out-of-state foundations. Most all of our work is done by volunteers. For funding, we depend on our membership dues of only \$30.00 per year, plus contributions from concerned citizens.
